

52-piece Gear Lock Go-Thru Socket Set, 4.5 - 25 mm (Art. 2181)

- especially suitable for screw connections with long thread overhang, e.g. threaded rods
 - no limited depth like "normal" sockets
 - includes the following tools:
- **13 mm hex. drive**
 - go-through ratchet, 72 teeth, 13 mm inner hex.
 - extension bar, 75 mm, with go-through hole
 - 11x sockets, Gear Lock, length 25 mm
sizes: 4.5-5-5.5-6-7-8-9-10-11-12-13 mm
 - adapter, 13 mm outer hex. to 1/4" outer square
 - adapter, 13 mm inner hex. to 1/4" inner square, to use the extension bar
 - bit adapter, 13 mm outer hex. to 1/4" inner hex., allows the ratchet be used as a standard 1/4" ratchet
 - **19 mm hex. drive**
 - go-through ratchet, 72 teeth, 19 mm inner hex.
 - extension bar, 75 mm, with go-through hole
 - 11x sockets, Gear Lock, length 30 mm
sizes: 8-10-11-12-13-14-15-16-17-18-19 mm
 - adapter, 19 mm outer hex. to 3/8" outer square, to use as ratchet
 - adapter, 19 mm inner hex. to 3/8" inner square, to use the extension bar
 - **22 mm hex. drive**
 - go-through ratchet, 72 teeth, 22 mm inner hex.

Technical modifications reserved - we are not responsible for issues while printing

- extension bar, 75 mm, with through hole
- 7x sockets, Gear Lock, length approx. 40 mm
sizes: 19-20-21-22-23-24-25 mm
- adapter, 22 mm outer hex. to 1/2" outer square,
allows the ratchet be used as a standard 3/8" ratchet
- adapter, 22 mm inner hex. to 1/2" inner square,
to use the extension bar

- 10x bits with 1/4" drive
- slot bits 4 & 5 mm
- cross slot bits PH1 & PH2
- T-star bits T10 - T15 - T20
- inner hex. bits 4 - 5 - 6 mm
