

## Tool belt

YT-74070

POLYESTER  
OXFORD  
600D

DETACHABLE  
HARNESS

*Intended for storage and transportation of tools used during work. Thanks to wide braces it ensures uniform load distribution.*

- features 2 large attachable holders for power tools, a metal holder for a hammer and a deep pocket for nails or screws
- made of Oxford 600D waterproof technical polyester fabric
- main belt with length of 1280 mm fastened with a metal buckle
- wide carrying belt with length adjustment
- braces that balance the loads, transferring them from hips to shoulders
