

## Vacuum cleaner 2 in 1

67120

The cordless bagless vacuum cleaner with a cyclone system ensures thorough vacuuming of all kinds of surfaces. Thanks to the efficient battery, it allows continuous operation up to 35 minutes. It is equipped with a HEPA filter that guarantees effective air filtration and reduction of pollutants.

- 2 functions: floor vacuum cleaner and manual vacuum cleaner
- powerful and efficient Li-Ion battery enables continuous operation up to 35 minutes or up to 25 minutes in MAX mode
- freedom of vacuuming without the problem of bypassing the cord or insufficient range from the socket
- HEPA H13 molecular air filter ensures the reduction of more than 99.95% of pollutants
- electrically powered turbo brush with hair resistant to the adhesion of hair and animal hair
- docking station makes it easy to load and store the device with accessories
- 3-step battery indicator
- high suction power (120 W) ensures effective dirt collection with simultaneous quiet operation
- easy assembly and emptying of the dust container with the capacity of 1 L

120 W	22.2 V
2.2 Ah	4-5h CHARGING TIME
