

## Stand mixer

67705

A large, stable and extremely strong mixer with a bowl copes well with harder ingredients and ice crushing. It allows you to prepare your favourite fruit and vegetable drinks very quickly.

- infinitely variable speed control allows you to adjust the mixing rate to the type of ingredients (5 gears and pulse function)
- possibility to prepare smoothie, cocktail or juice in a few seconds (22000 RPM)
- high quality 6-armed stainless steel blade with a maximum power of 800 W for fast and efficient work
- 2 upper arms with teeth for cutting harder components and crushing ice
- glass bowl with a capacity of 1.5 l and 0.6 cm thick with protrusions on the side walls facilitate mixing of the ingredients
- safety lock in the cover protects against accidental start-up
- ABS plastic housing
- non-slip feet stabilise the device during operation
- inlet in the lid with a diameter of 50 mm
- easy attachment of the bowl
- possibility of unscrewing the blade and thorough cleaning
- dimensions of the stand mixer: 16 x 18 x 40.5 cm
- 80 cm cable
